## PROFESSIONAL ADVANCEMENT CERTIFICATE IN GERONTOLOGY

UCCS GERONTOLOGY CENTER

Learn from seasoned experts in the areas of health, law, and government; representing the public, nonprofit and private sectors. These academic researchers, experienced practitioners and professionals involved in fields related to aging will enhance your understanding of age-related issues by providing up-to-date information and research.

### COURSE INFORMATION

**Fall 2019 Semester:**

*Tuesdays, 5:15pm-7:15pm*

*September 3rd-December 17th*

The certificate course consists of two semesters taken in sequence. New enrollees are accepted each semester. Successful completion of the program requires class attendance and participation (either on-site or online). Tuition is \$495 per semester.
