OLDER  
COLORADANS  
MONTH

"Communities of Strength"

Join us for three engaging webinars

**Ageism in the  
Workforce, Health  
Care and Community**

**May 12th 1-3:00pm**

Shifting how Coloradans think about aging only improves us as individuals and how we engage with one another in our communities. This session will focus on shifting the way people talk and think about aging.

**Age-Friendly  
Communities  
in Colorado**

**May 19th 1-3:00pm**

Staying in our communities is vitally important to older Coloradans and the communities they live in. Join us to hear about age-friendly community initiatives and the resources for advocating for them.

**Regional Perspectives  
Across our State  
in Aging**

**May 26th 1-3:00pm**

Join us for a discussion with leaders in a variety of aging sectors that represent many different areas of our State to find out what is working well in those areas.
