Below is a list of the 2022 members of the Denver Senior Coalitions by their primary service category. Organizations are listed by the primary service they provide. Join today so your organization can be included in this directory. Information for joining is on the website – [DenverSeniorCoalitions.org](https://denverseniorcoalitions.org)

About the Denver Senior Coalitions – There are four Denver Senior Coalition Chapters: East, North, South and Southwest. The Chapters are networking organizations serving the greater Denver area.

- We meet monthly with a Zoom meeting on the 2nd Wednesday of the month and an in-person meeting on the 4th Thursday of the month.

Our members range from senior housing, home health industry, health and medical services, referral agencies, technology-based organizations, professional services such as legal and financial and other community-based service organizations. Members include both individuals and organizations and for-profit, non-profit and government agencies. The last page of this directory has more detailed information about the Denver Senior Coalitions organization and our Joint Coalition Assistance Fund.

Art for Older Adults ↩

I develop and facilitate visual art and storytelling programs for older adults and those with dementia. I am a trained facilitator in OMA (Opening Minds Through Art, Scripps Gerontology Center) and TimeSlips Storytelling. My programs inspire participants to engage with high quality art projects that respect their wealth of experience, skills, and innate capacity to create.

Castle Rock Senior Activity Center ↩

For more than 46 years, the Castle Rock Senior Activity Center has been providing programming and services to area seniors who are "loving life in the second half." We are a non-profit organization, open to people 50+ in age, meeting the desires and needs of the GI Generation, Silent/Mature Generation, Baby Boomers and now even some Generation Xers. The wide range of ages means we have very diverse programming, ranging from adrenaline-producing "bucket list" trips to the more sedate bridge league groups, and everything in between. We also provide special services and wellness activities. Our transportation program, utilizing volunteer drivers, provides shuttle rides for seniors throughout Castle Rock and to medical appointments for those unable to drive.

About Denver Senior Coalitions

The four Denver Senior Coalition Chapters are networking organizations serving the greater Denver area. Our members range from senior housing, home health industry, health and medical services, referral agencies, technology-based organizations, professional services such as legal and financial and other community-based service organizations. Members include both individuals and organizations and for-profit, non-profit and government agencies.

Our membership dues are based on a calendar year and run from January through December. Dues start at \$75 for a "One Person Membership, One Company, ONE Chapter for a year." We also have multi-member and multi-coalition memberships. Most of the funds we raise through membership go to our Joint Coalition Assistance Fund.

The Denver Senior Coalitions' Joint Coalition Assistance Fund (JCAF) receives monies that have been paid as dues to the four Denver Senior Coalition Chapters. Our non-profit members are invited to apply for these funds through an application and vetting process. At our December holiday meeting of the Denver Senior Coalitions, this senior professional networking group shows their holiday spirit, and we give away Joint Coalition Assistance Fund awards to deserving organizations that serve older adults. These organizations are selected through an application process and a review process conducted by our board members.

For 2021 the awards went to Aging Resources of Douglas County, Denver Inner City Parish, and Kavod Senior Life. Each of these organizations have programs in place that help older adults directly.

- **Aging Resources of Douglas County** would allocate the donation to their Emergency Assistance Fund (EAF). The fund provides one-time, as-needed financial support to seniors encountering unanticipated and burdensome expenses. Previous donations have been used to help our members cover the cost of emergency dental procedures, new prescriptions, and rent arrears.
Website: <https://www.agingresourcesdougco.org/>
- **Denver Inner City Parish's Seniors Program** provides community and services for 120 older adults in Denver. Nearly all participants (91%) are single or widowed, with an average income of \$700 per month and reside in subsidized housing. This scholarship would make it possible for them to provide a memorable trip to (ex. Cheyenne Mountain Zoo and Garden of the Gods) for our seniors. This scholarship would cover the trip costs including admission, hotel rooms, transportation and staffing. For many of our seniors a trip like this would be a once in their lifetime opportunity that they would not otherwise experience.
Website: <https://www.dicp.org/>
- **Kavod Senior Life (Kavod)** is a nonprofit organization serving older adults in Denver with housing and support services. Subsidized by HUD, Kavod offers affordable Independent and Assisted Living apartments to adults 62+. The average age on campus is 78, and the average income is \$13,000, which is considered poverty level. While they are not a memory care facility, Kavod still has residents who struggle with memory-related issues. They want to support these individuals as best we can so they can avoid premature moves and live their best life possible as long as possible on their campus. Kavod has identified programs that help stimulate positive memories and joy in older adults with memory loss. These include Opening Minds through Art, Music & Memory (both national) and other music/arts performances that help individuals with experiential recall. Funds would be used to engage 50 or more residents in these programs in 2022.
